

Webmaster's note: This document contains the unofficial notes from our meeting on May 18, 2009, taken from an email written by Doug Carter, Chair of the Grand River Expedition 2010 core committee. Check the website soon for our official minutes!

May 28, 2009

GRE Friends:

Here are the decisions made at our May 18, 2009 meeting:

- Adopted Goals and Objectives with addition of a statement that all activities will be done as "green" as possible
- Accepted with great appreciation Curtis Remington's new logo design and offer to design a GRE 2010 T-shirt
- Adopted tentative GRE 2010 itinerary
- Approved initial list of Standing Committees
- Approved initial Tasks List
- All of the documents above can be found on the website at <http://tiny.cc/grandriverexpedition2010>

HELP! While many have signed up to tackle initial tasks and to serve on a Standing Committee, we still need your help – PLEASE, check out the website to see how you can get involved.

NOTE: The group agreed to adopt the third Monday of each month as the regularly scheduled meeting of the GRE Steering Committee – next meeting, then is Monday, June 15

Please call with any questions - Doug
